# PROFESSIONAL LEGAL ADVICE

*& someone who'll understand*

When children are involved in a family dispute it's always best if arrangements can be agreed in an amicable way. Sadly, this isn't always possible so it may be necessary for the Court to make a decision about the children's welfare. Our solicitors can advise in a child focused manner and will work towards agreement and keeping delays to a minimum. If social services become involved, we have a specialist team of solicitors who solely do this type of work.
